

REMONSTRANCE *and*
PETITION *for a* REDRESS *of* GRIEVANCES

We, the Delegates of the Southern States,

IN CONGRESS ASSEMBLED, MAKE THE FOLLOWING FINDINGS AND AFFIRMATIONS:

An unborn child receives its life, being, and spirit from God; and only God may take that innocent life, lest it be an act of murder.

The Supreme Court of the United States has created from whole cloth the spurious Constitutional “right” to abortion, resulting in the murder of millions of unborn children and the usurpation of the laws of God and the several States.

The Federal Government has further proposed certain legislation to require persons in the medical profession to participate in the murder of unborn children, in violation of their consciences and the laws of God, and to require all the citizens of the several States to submit to unlawful taxation to encourage, promote, and fund said abortion.

The right of the People to petition the Government for redress of grievances is recognized by the First Amendment to the United States Constitution.

Therefore, WE THE DELEGATES TO THE SECOND SOUTHERN NATIONAL CONGRESS,

- Petition the Federal Government to immediately cease and desist its unlawful mandate of permissive abortion and funding of the murder of unborn children.
- Petition the Supreme Court to reverse *Roe v. Wade* and its progeny, recognizing that there is no Constitutional right to murder the unborn; and that only the several States have the power to regulate such matters, consonant with the laws of God.
- Petition the citizens of the several States to refuse to obey any Federal law and decrees which purport to require the participation in or funding of the murder of the unborn, recognizing the natural precedence of the laws of God over such arbitrary, capricious and tyrannical laws and decrees.

Adopted 13 September 2009 by the Second Southern National Congress at Delta, Alabama and ordered to be transmitted to the Congressional Delegations, Governors, and State Legislatures of the States of Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Maryland, Missouri, Mississippi, North Carolina, South Carolina, Tennessee, Texas, and Virginia; to the President of the United States, and to the Supreme Court of the United States.
